## Missionary Project

### PURCHASING BIBLES FOR TAP MINISTRY

TAP Ministry send Bibles to foreign countries to **people who do not have their own Bible**. Some of the countries they ship materials to are: the Philippines, Ghana, Zambia, Mali, and Nigeria.

To help with this ministry we are going to **collect KJV Bibles** for them to send overseas. *You can purchase a paper backed KJV Bible for just \$1.00 at the Dollar Tree Stores.* You can either go to a store and purchase the amount of Bibles you want to contribute, **or you can bring your offering** and drop it in the 'black well' in our classroom.
